

- M6 Allen Wrench

⚠ CAUTION: To avoid potential shock or other injury, turn power switch OFF and disconnect charger before conducting any assembly or maintenance procedures. Failure to follow these steps in the correct order may cause irreparable damage.

Please refer to the diagram below for the right foot peg components.

Use a M6 Allen wrench to remove the two bolts that secure the right foot peg on the unit, then remove the foot peg.

Step 3

Reverse the steps to install a new right foot peg. Once completed, the unit should look like the image below.

ATTENTION: Charge battery 12 hours before using.
