

CRAZY CART SHIFT 2.0 CONTROLLER REPLACEMENT PART NUMBER:W25143444015

Required Tools: (Not included)

- 4 mm Allen Wrench
- Flat Screwdriver
- Phillips Screwdriver

⚠ WARNING

⚠ **CAUTION:** To avoid potential shock or other injury, turn power switch OFF and disconnect charger before conducting any assembly or maintenance procedures. Failure to follow these steps in the correct order may cause irreparable damage.

Step 1

Using a 4mm Allen wrench, loosen the bolt on the plastic cover next to the power switch and lift the battery cover up.

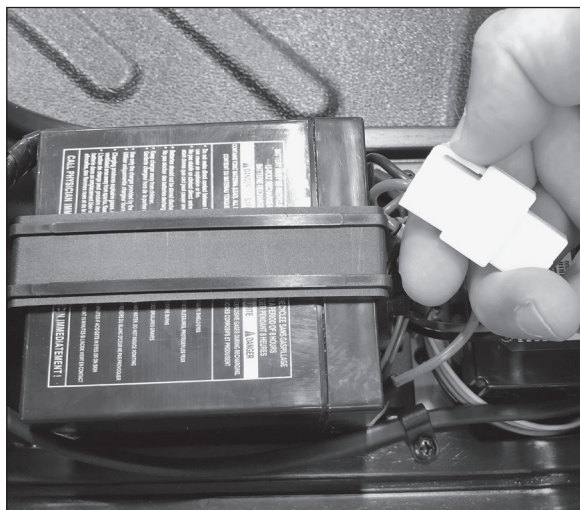

Step 2

Using a Phillips screwdriver, remove the two screws that hold the controller in place and set aside.

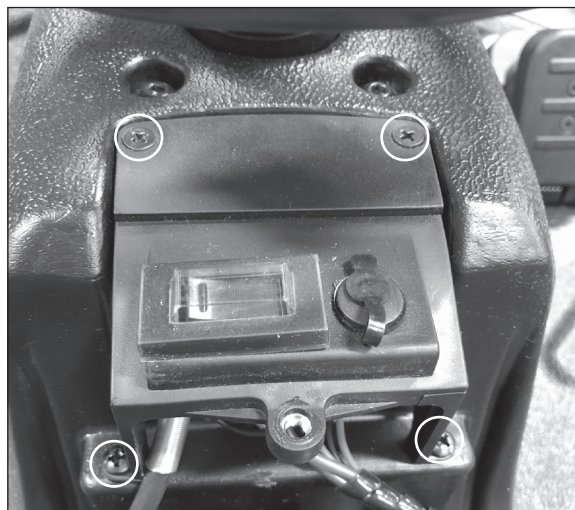

Step 3

Locate and disconnect all connectors from the controller starting from the battery.

Step 4

Using a Phillips screwdriver, remove four screws from the bracket that holds the power switch.

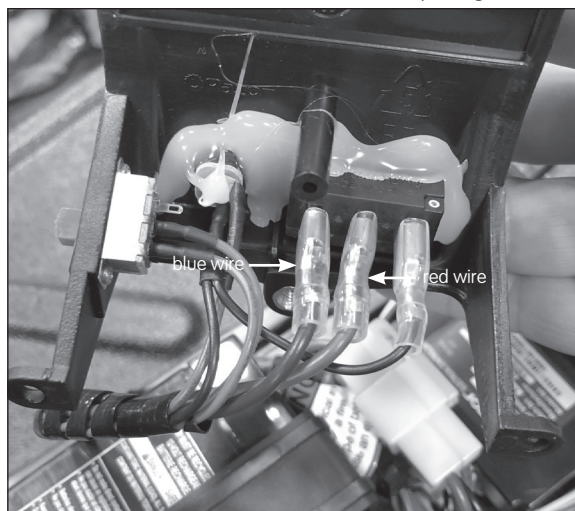

Step 5

Using a small flat screwdriver, remove the blue and red connectors from the power switch.

Step 6

Insert a new controller, then reverse steps 1 through 5. Note: When reinstalling the controller, connect the blue wire from the controller to the prong closest to the charger port. Connect the red wire to the middle prong.

ATTENTION: Charge battery 12 hours before using.
